

Shoshone NF Travel Management Planning Project
Shoshone National Forest
808 Meadow Lane Avenue
Cody, Wyoming 82414

Dear Planning Team:

My name is Barb Long and I am a snowmobiler who rides in the Shoshone National Forest.

I support most of Alternative 2 for the Shoshone area.

I am opposed to the 12-inch minimum snow depth. In Illinois we have 6" frost with 6" snow minimum requirements.
This works very well.

Thank you for allowing me to comment.

Barb Long
