1. Which proposal are you commenting on? NZ 12

2. Provide comments below on the proposal:

Please be specific and provide rationale for your position. In other words why do you like for dislike about the proposal.

Very much opposed to extending this Road.
The new segment would lead to Dick Creek
Lakes. The meadows here have high wildlife
values which will be impacted by engine noise.
Opening this segment will allow access to
these meadows and could allow access (illegal)
to the alpine to energetic hikers, impacting
sheep.

Current road impacts some meadows, and turns
up a streambed for a while.
