Subject: Travel plans for the Clarks Fork Ranger District

Dear Ms. Salzmann,

I'd like to add my input for the Travel Plan proposals for the Clarks Fork Ranger District. Specifically, I'd like to see Forest Service Roads 165 and 178.1B be closed where they enter into the Clarks Fork Wild and Scenic River corridor. Both of these areas can be easily accessed by foot, and the allowance of motorized use disrupts the enjoyment of those walking and leads to further encroachment of vehicles from these segments of road and the corresponding environmental damage.

Thanks,

Thomas Dolese
