I am in favor of closing this road (FSR 545.3E) that goes to fence that borders private land and the National Forest. There is no further access gained and is not that far from the Geyser Creek road (FSR 545). However, I believe that it will be very difficult to physically close these types of roads in this large open area as demonstrated by the number of illegal user created motorized routes in this area of Bald Mountain.
