1. Which proposal are you commenting on?

WR-21 and WR-22

2. Provide comments below on the proposal: (continue on back if needed)

[Please be specific and provide rationale for your position. In other words why do you like or dislike about the proposal.](#)

Although I am not a fan of rewarding illegal behavior by adding user created motorized routes to the designated route system, in the case of both of these I would support as long as the agency can demonstrate that they can control access on these proposed trails to just the route designated and to just the overlook where they are suppose to end.

Mark Hinschberger
