1. Which proposal are you commenting on?

WR-35

2. Provide comments below on the proposal: (continue on back if needed)

Please be specific and provide rationale for your position. In other words why do you like or dislike about the proposal.

How necessary is this short route that would only access the forest boundary and the private land on the other side less than half mile from FSR 629? If it truly an important and necessary route, then I could support this proposal, but if it is a pioneered route by illegal traffic on it, then its shouldn't be made it to a motorized trail.

Mark Hinschberger
