1. Which proposal are you commenting on?

WR-41

2. Provide comments below on the proposal: (continue on back if needed)

Please be specific and provide rationale for your position. In other words why do you like or dislike about the proposal.

I would not support this proposal to close this road at the trailhead because it is in Management Area 4.3, but I would support a proposal to convert this section of FRS 504.1A to a motorized trail from the trailhead to Ramshorn Basin but not beyond. And this proposal should include a commitment to physically close the user created route that extends into Ramshorn Basin, which is in Management Area 3.3B.

Mark Hinschberger
