WR-1

2. Provide comments below on the proposal:

Please be specific and provide rationale for your position. In other words what do you see as the merits or concerns about the proposal.

Agree with proposal. This is a good idea. It will give users and alternate route.
All ATV trails should be made for the wider UTV's (over 50"). 80% of users are family and seniors now driving the wider machines.

2. Provide comments below on the proposal:

This trail needs to be reopened. It was a heavily used road/trail before it was closed and the closure made no sense. Due to the closeness of 3 lodges and 3 to 4 subdivisions this trail will provide easier access to the forest and make an alternate trail for users.

WR-9

2. Provide comments below on the proposal:

Agree. It is already a snowmobile trail. After the fire through this area it would be good to open it up for multiuse purposes.
