Please be specific and provide rationale for your position. In other words why do you like for dislike about the proposal.

We dislike the idea because we enjoy walking and horseback riding in the peace and quiet that this area now provides.

We have seen Custer National Forest shut down roads due to damage from road bikes and ATVs. The same thing will happen here if this proposed road is allowed.

There are lots of 2 track roads back there that are now closed due to the "Non-Motorized Vehicles" rule. However, if opened, will again be abused by some of the dirt bikes and ATVs. They can now go through the Canyon to the Morrison Jeep Trail to ride their dirt bikes and ATVs.

Also, the Shoshone National Forest map indicates that this area is a designated Elk Refuge, for a safe elk calving area.
