New Proposals

1. What is the proposal? (loop; route; closures; restrictions) , etc.)

Clearly and concisely state the Proposal. Include as much detail as possible.

Plan to develop a motorized trail along Hwy 212
so that if/when the road gets plowed to Cooke City
there will be an option for snow machines to go
from Pilot Creek parking to Cooke City.

2. Where is the proposal located?

Give general description of project location (example: 5 miles SW of Cody, WY) as well as UTM coordinates, Township/Range/Sec, or Lat/Long if you have that information.

3. Why is your proposal desired or needed?

This proposal will allow ~~more~~ acc
Set the framework for allowing more
backcountry skier access if the road gets
plowed. The area is limited to people who own
expensive snow machines and this would allow
greater recreational use of the area by more
segments of the population. Access to deep snow
for skiing is extremely limited on this forest and efforts
to improve this access is needed.
