Cultural resource survey's should be done before any timber harvesting or other projects are being done so that cultural resources are not destroyed. Both fires have uncovered buried cultural resources and maybe buried human remains. Surveys of the fire areas are an instrumental piece of protecting what is out there.

Hi All:

I wanted to send a reminder that the Goosenest Ranger District of the Klamath National Forest will be hosting a hybrid in-person/virtual public meeting for the Antelope and Tennant Fire Recovery Project on **Wednesday, June 15th** at 6:00 pm at the Butte Valley Community Center, 52900 US Highway 97; Dorris, CA 96023 or [virtually by clicking here](#).

More information about the proposed project can be found [here](#).

Please help spread the word about this event and we look forward to seeing you there. Thanks!!
