

Thank you for the opportunity to provide feedback on the Stibnite Gold Project as part of the NEPA Comment Period. I have been closely following Perpetua Resources' plans since they first came into our state, in large part because some of the proposed project will take place on public land. The more I have learned about the project, the more excited I am about the possibilities. The Stibnite Gold Project could help us restore an abandoned mine site.

I appreciate your time and thoughtfulness in the review process. The U.S. Forest Service has not cut any corners over the past 6 years analyzing the project and I've appreciated the opportunities to provide feedback. For the reasons I stated in my letter above, please permit the Stibnite Gold Project.
