

I am writing to express my full DISGUST of Perpetua Resources and the Stibnite Gold Project. Over the past several years Perpetua has shown its DESTRUCTION to Valley County and the state of Idaho. I encourage you to NOT permit the improvements proposed by the company and move the project TO THE GARBAGE CAN!!!!!!

Everyone who cares about Idaho's fish populations should take notice of some of regulators' conclusions in the SDEIS. Importantly, the SDEIS states by providing volitional passage for fish, Perpetua will have a DEVASTATING impact on fish populations within the vicinity of the IDAHO. Fish will be DESTROYED AS WELL AS high quality habitat IF we let Perpetua Resources move forward with its plan. We should NOT allow Perpetua Resources to mine at Stibnite, so we can help fish, secure American supply chains and provide family-wage jobs to Idahoans.

I urge you to REFUSE Perpetua Resources' plan as outlined under the 2021 Modified Mine Plan and continue moving this project forward.
