Gentleman,

Attached are the comments of Rocky Smith et al on the proposed Black Diamond Project.

This will be the first of 3 or more e-mails with the references I used in the comments. In this transmission, in addition to the comments, publications corresponding to the following references are attached:

- Belsky et al, 1997
- Barnett et al 2016
- Bevington, 2021
- Cohen, 2008

If there are any questions please contact me. And please acknowledge that you have received all the e-mails. I will note the final one.

Thanks for extending the comment period so we could get you our detailed comments.

Rocky Smith
