

I am writing to express my full support of Perpetua Resources and the Stibnite Gold Project. Over the past several years Perpetua has shown its commitment to Valley County and the state of Idaho. I encourage you to permit the improvements proposed by the company and move the project forward using the Burntlog Road route.

Perpetua is reclaiming a site that has needed reclaiming for decades plus is extracting additional minerals that will help the US to become less dependent on foreign countries to provide. The site has been studied beyond what is reasonable and I strongly support the mine and also strongly encourage the approval of the project
