

Dear Sir:

Date: 11-28-22

We are writing to object to the proposed action for the Lemon Gulch Trails Project # 58831: Building a mountain bike trail Complex/Park in the Lemon Creek watershed.

The Forest Service is not prepared to enforce riding and off-site camping rules. This complex and its usage would forever alter the serene nature of the Mill Creek Valley.

This proposal must be addressed through an Environmental Impact Statement (EIS).

request the "No Action" alternative.
