Subject: Lemon Gulch Trails Project

Dear sir,

I am writing to object to the proposed action for the Lemon Creek Trails Project: Building a

mountain bike trail complex in the Lemon Creek Watershed.

I request a personal response to this email. My name is Dave Hershberger, [REDACTED]

As a hunter, I am concerned how this will affect the deer and elk population. This will drive our wildlife out of the area.

There will also be a lot of erosion on these steep slopes- building and maintaining these trails.

There is also a Major danger of wildfires with the huge influx of people and cars, off site camping,etc.

Please include your Environmental Impact Statement.

No Erosion, No Compaction

Thank You, Dave
