Dear sir,

I am writing to object to the lemon gulch project #58831.

I am so against this project. We who live in Prineville love to go into mountain area and Hike in a peaceful setting. We don't need the forest torn up to satisfy a group of people Who have no regard for the forest. Why do they carry so much clout? Are you trying to Push this thru to make money? There is a great big forest by John Day they could put There bike trail, and help their economy. Please reconsider.

No Action alternative

Elsie Smith
