

**Stibnite Gold Project
Supplemental Draft
Environmental Impact Statement**

COMMENT FORM

Informed decisions are better decisions: The U.S. Forest Service believes that extensive public involvement will serve to improve communication, develop enhanced understanding of different perspectives, and identify solutions to issues and problems. We look forward to hearing from you!

Where to provide comments: Submit this form at a public meeting, mail it in using the address on reverse, or upload comments to <https://www.fs.usda.gov/project/?project=50516> by **January 10, 2023**.

Name Hollis Putnam County _____

Title _____ Organization _____

Mailing Address _____

City _____ State _____ Zip _____

Email _____

Date _____ Meeting Location (if applicable) _____

Please check box if you do **not** want your name released when comments are made public (see note).

Please check box if you want to receive notice of availability of the Final Environmental Impact Statement.

COMMENT (use back side if you need additional space or attach additional sheets)

Having been to this mining site many times dating back to the early 1970's I think it is way past due for a major cleanup. This site has been a festering sore spot forever and to have a company offer to clean it up in return for the right to mine the area utilizing environmentally safe practices is almost too good to be true. I strongly recommend approval.

Note: Comments - including names, street addresses, e-mail addresses, and phone numbers (if provided) of respondents - will be part of the public record. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.
