Newark Exploration Drilling Project
Scoping Comments

I AM AGAINST THIS PROJECT THERE IS A REAL CONCERN ABOUT CONTAMINATING THE WATER &
WE CAN'T DRIVE OFF TRAILS TO GATHER FIREWOOD BUT ITS OK TO BUILD ROADS & PADS FOR DRILLING, JUST NOT RIGHT
THIS PROJECT IS TO TEST FOR GOLD THEIR NOT DOING THIS JUST TO TEST IF THEY FIND GOLD - THEN WHAT!! WE DON'T WANT A GOLD MINE IN MY BACKYARD!!!

Written comments can be returned via USPS mail to:

Rob Hoelscher, District Ranger
Hell Canyon Ranger District
'Newark Exploration Drilling Project'
1019 North 5th Street
Custer, SD 57730

(Or fold, seal, and add a stamp to the back of this sheet). Hand delivery is acceptable at the address above. Alternatively, you can also submit comments via email to comments-rocky-mountain-black-hills-hell-canyon@usda.gov. Please use "Newark Exploration Drilling Project" in the subject line.
