Hello Wendy -

Wanted to get in touch with you and send a citizen's concern re: NO on a Categorical Exclusion for the Newark Project.

I live in the Black Hills and this project needs much more study and scrutiny before proceeding.

The consequences of rushing this forward are potentially MUCH too serious and possibly detrimental to the environment, as well as the possible impact to humans in a variety of ways. *Potentially this is NOT a small project!*

PLEASE, please do what you can to stop the Categorical Exclusion!

Thank you,

Amethyst Smith
