Public Scoping Period Comment Card

Granite Goose Landscape Restoration Project

Comments should be within the scope of the proposed action, have a direct relationship to the proposed action, and must include supporting reasons for the Responsible Official to consider (36 CFR 218.2).

Comments received, including names, will be considered part of the public record for this project. Submitted public comments will be available for public inspection and will be released in their entirety if requested pursuant to the Freedom of Information Act.

Name: Erin Fanning

Date: 2/22/23

I am in favor of closing Bear Basin
to all motorized snow vehicles from
Idaho 55 to FR 452 to FR 451 (with
signage at all borders). Also, I feel
strongly that all non-motorized trails
should remain closed to e-bikes.

Thank you!
