Hello,

I am a [REDACTED] resident and I love our public lands here in the Black Hills. I am writing to ask you to STOP the Newark Exploration Drilling Project. Our BHNF is already being stretched beyond its resources and this drilling project is a major threat to our area's water and wildlife. I am very concerned about both the environmental impacts and cultural impacts of this drilling project on sacred Native land.

I am firmly against the Newark Exploration Drilling Project. Please stop this drilling project!

Signed,
Jana Haecherl
