What is the percentage of Angoon Community members employed? 2% What reassurance do I have for safety from toxic chemicals? What is in place to reassure the community of Angoon will not be harmed in case of an earthquake or Taku winds? What does the plant life look like near the mine? What about the trees? The air? What is the purpose of Expanding? What is in the pond of water? How safe is it? (additional space is provided on the back)

Note: Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – will be publicly available. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses and from individuals identifying themselves as representatives or officials of organizations or businesses will be available for public review to the extent consistent with applicable law.

Disclaimer: All contact information is optional; however, anonymous comments will not provide standing to object.
