

A proud supporter of  
**Guiding Eyes for the Blind**  
**Janet Dietrich**

Byron Karchak,

Just a note to  
comment on the  
Pactola mineral withdrawal  
Why would you think  
twice on this. We have  
to protect our water -  
It's the most important  
thing we can still  
keep good for the  
next generation -  
A vote yes for me.

Thank You  
Jan Dietrich
