Dear Mr. Grosvenor and Mr. Jones,

We would like to thank you for this opportunity for public comment.

Sibanye-Stillwater and Sweet Grass Community Foundation work together to support many different projects that take place in Sweet Grass County and Big Timber.

The mine plays a major role in who and what our community is. The employees and their families live in our communities, go to our schools, and work in our local businesses.

Sibanye-Stillwater is very supportive of so many things that take place in our community and we appreciate all that they do here.

Sincerely,

Kathy Mandity  
Board Chair
