

Appendix A for the 30 day comments submitted by Native Ecosystems Council, the Alliance for the Wild Rockies, Council on Wildlife and Fish, Yellowstone to Uintas Connection, and Center for Biological Diversity on September 18, 2023 for the Bitterroot Front Project Draft Environmental Assessment.

This appendix includes relevant portions of reports cited in these 30 day draft Environmental Assessment comments, for references not cited in the Forest Service NEPA documents, including the project wildlife report:

Bull, E. and R. Holthausen. 1993. Habitat use and management of pileated woodpeckers in Northeastern Oregon. *J. Wildlife Management* 57:335-345.
