Tanner / Heather –

I just received the below email out of the blue and wanted to see how you wanted to handle it? I'm assuming it's related to scoping. Are you okay if Karri and I respond directly to this email or do you want the inquiry captured in the process somewhere else?

Thanks,
Gwen

Good morning Gwen,

Lindsay Patterson mentioned you may be able to answer a couple of questions I have on prescribed fire BMPs somewhat related to the Green Union Project.

- 1) What BMPs are typically used for prescribed fire projects?
- 2) Would it be possible for you to share a previously completed EA for prescribed fires?

Thank you for your help. If you have any questions for me please let me know.

Best,
Tori Nye
