Powder River District Manager  
1415 Fort Street  
Buffalo, Wyoming 82834

The Tensleep Nowood Trailbreakers (TNT) are proposing a non-motorized all-season trail on USFS-managed land in Washakie County, to be included as part of the Tensleep Climbing Management Plan project. Approving this trail would be an excellent way to provide more opportunity for outdoor enthusiasts looking to visit the Ten Sleep area, as well as area residents - climbers and non-climbers alike.

The Washakie County Visitor's Council would like to express its support for the Bighorn National Forest in its work on the climbing management plan. We would like to see a balanced approach to outdoor recreation to include a variety of interests, which supports the council's purpose to facilitate and bring about the wider promotion and marketing of tourism in Washakie County.

Thank you for your consideration,

Sincerely,

Jonna Abel  
President  
Washakie County Visitor's Council
