To Whom It May Concern:

Thank you for the opportunity to comment on the US Forest Service's Notice of Intent to Prepare an Environmental Impact Statement for an Amendment to the Northwest Forest Plan. The National Trails Office of the National Park Service administers the Oregon National Historic Trail (NHT) and the California NHT, which may be impacted by the plan amendments. We request that impacts to the NHTs be considered in the environmental impact statement. Geospatial data for the trails can be found at the locations provided below.

Oregon NHT: <https://nps.maps.arcgis.com/home/item.html?id=beea1da3fccd493b8c9090c774d829f4>

California NHT:

Please add Jordan Jarrett (jordan_jarrett@nps.gov), archeologist with the National Trails Office, to the contact list for the project. Jordan may be contacted with any questions regarding the NHTs.
