RE: National Environmental Policy Act (NEPA) Comments Requested by the United States Department of Agriculture (USDA) Regarding the Heavener Coal Leasing Project

Dear Mr. Olsen,

The Arkansas Department of Energy and Environment, Division of Environmental Quality (DEQ), appreciates the opportunity to comment on the Heavener Coal Leasing Project being considered for the Ouachita National Forrest.

At this stage of review, DEQ can provide only generalized comments on issues to consider during plan development. We request the opportunity to review the final plans and environmental impact statement (EIS) when they become available.

Sincerely,

A handwritten signature in black ink that reads "Lucy Cross". The signature is fluid and cursive, with "Lucy" on the top line and "Cross" on the bottom line.
