RE: ANILCA Cabin Policy Comment

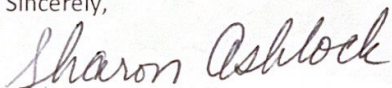

Dear Ms. Berger:

I am writing you to ask for you to support the proposed change in the reissuance of special use permits for ANILCA cabins.

I go there about every 4 years with my girlfriends and it is such a nice break away from all the stress of being a teacher. By having this week at the cabin with my friends it gives me the relaxation that I need to make it through another year of teaching high school math.

The Tongass is a great place to enjoy the beauty of the water, the wildlife and the fishing is amazing. Any action that you can take to facilitate other members, friends and family to be able to use the ANILCA cabins in the future would be greatly appreciated.

Sincerely,

Sharon Ashlock
