RE: ANILCA Cabin Policy Comment

Hello Ms. Berger,

I am writing in regards to support the proposed change in the reissuance of special use permits for ANILCA cabins.

This lovely little cabin nestled in the depths of the beautiful Tongass forest is a dream vacation place for me. Versatile ground for what all Alaskans love to do, ENJOY the outdoors!! I pray that my friends and all others who visit this special place have many more years of the Alaskanway.

I appreciate your time and any help to secure the longevity use of the ANILCA cabins for future Alaskans.

Thank you,

Renee Kazmierczak
