RE: Polk County: City of Mena/Queen Wilhemina State Park – Trails at Mena Project EA

To Mena/Oden District Ranger:

The staff of the Arkansas Historic Preservation Program (AHPP) is looking forward to reviewing the proposed Mena Trails undertaking between the City of Mena and Queen Wilhemina State Park in Polk County, Arkansas. We have previously engaged with the Ouachita National Forest archeologists to consult on how to proceed with the Section 106 process.

The AHPP fully supports this undertaking and will ensure that the Section 106 process is conducted in its entirety and all steps to protect historic properties are completed.

We look forward to reviewing the official submission regarding this undertaking for 106 review.

Sincerely,

**Jessica H.
