Animals observed:

Birds Present:

Notes:

Keeping Track of Your Forest Photos

Option 1: Before you take your forest photos, write down the forest visit name on the form and take a photo of the name. Then take the forest photos. Note that the photos **after** the forest visit name belong to that name.

Option 2: Take a screen shot while your GPS app is on before your forest and tree photos (I-Phone).

Optional (All information in the form will be viewable by the public)

Your Name:

City:

State:

Insert Stand Photo (**Optional**)

ID/Name

Looking to the left and right from the tree shown below

Insert Photo of the typical tree that was measured (**Optional**)

ID/Name:

Save the document as a pdf file for uploading to the Forest Service comment portal.
Wait for guidance from the CRA for writing your text comments placed into the
comment portal.
