Dear Sirs,

My home is in the Village of Oak Creek, I am familiar with this project and this will be my second objection email. on this topic. We moved to the area for quiet and nature, we do not have power issues in the VOC that we would we deem unreasonable. I don't live in McGuireville, nor do I want to. I do want to maintain the natural environment, wildlife and beauty that brought our family to this area. I don't think I can be more concise than preserving the natural environment. I object to the Oak Creek to McGuireville Line Project .

Sincerely,

Debra A. Christian
VOC Resident
