I 100% object to this. We are in a fire prone area why is this even being considered" Short term savings will not even compete w the cost of damaging and deadly fires. I would rather pay more and have the lines buried or other options.

Add my name to Vote NO: Diann Keller (I own 3 homes here in the VOC). So if my vote counts x 3 then please add that. I can list all 3 addresses if needed.

THANKS!
