Subject: [External Email]Above Ground Lines in the VOC

[You don't often get email from [REDACTED]. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

[External Email]

If this message comes from an unexpected sender or references a vague/unexpected topic; Use caution before clicking links or opening attachments.

Please send any concerns or suspicious messages to: Spam.Abuse@usda.gov

To whom it may concern

Please do not approve any lines above ground in the vicinity of the Village of Oak Creek, Arizona.

We are extremely concerned about the dangers of fires and absolutely do not wish to live with that fear in our lives. We have children and grandchildren and wish them to be safe.

Thank you for please removing that option from your plans Sincerely Fiammetta Zanelli
