Re: Northwest Plan Amendment #64745

I've lived surrounded by the Siuslaw National Forest and have managed my private forest land since 1991, **35 years**, and have been a long-term member of the Coast Range Association (CRA).

As a **forester**, I see first-hand and have applied the research, intelligence, and wisdom promoted by Chuck Willer, and the CRA, with great benefits from the positive effects it has on my property and the surrounding forestland.

By way of reference, I endorse the Coast Range Association's (CRA) comments on the DEIS. Please fully consider the CRA's comments.
