### **Keystone A-51 Lift Replacement Project**

Colorado Parks and Wildlife (CPW) has received a request for comments on a proposal on the Keystone Resort A-51 Lift Replacement Project in Keystone. CPW's mission is to perpetuate the wildlife resources of the state, to provide a quality state parks system, and to provide enjoyable and sustainable outdoor recreation opportunities that educate and inspire current and future generations to serve as active stewards of Colorado's natural resources. After reviewing the plans of the proposal CPW does not anticipate any significant impacts to wildlife.

CPW would like to thank the Dillon Ranger District of the White River National Forest for the opportunity to comment on this lift replacement. If you have any questions, you can contact Hannah Grimes at 970-485-3081 or [hannah.grimes@state.co.us](mailto:hannah.grimes@state.co.us) .

Sincerely,

Hannah Grimes- District Wildlife Manager
