Good Morning Mr. Mannchen,

Sorry for the delayed response, I was out of office last week and still catching up on emails.

We continue to work on the Oil and Gas Leasing Analysis, and do not yet have a timeline for releasing a Draft EIS. Thank you for your interest in the National Forests and Grasslands in Texas.

Dear Juanita,

Checking again about the NFGT Oil/Gas Leasing EIS. Is there any further update about when the public can obtain and comment on this proposed project?

Thanks.
