Hi Ryan,

I just wanted to let you know that forwarded your request for info. I will let you know as soon as I get anything back or a response.

There's a lot going on these days as I'm sure you know but I'm doing my best to keep up.

Hi Joseph,

I'm reviewing the Final EA for Canyon Forest Restoration and wondered if the Forest Service can provide GIS data used for this project? We're particularly interested in files that show the project and stand boundaries, logging methods, silvicultural prescriptions, and roads. It would be helpful in our review.

Please let me know if you have any questions.

Thank you and hope you have a nice holiday weekend.

Ryan
