To whom it may concern-

Lefthand FPD engages in fuels reduction mitigation on private properties within the district. Our district borders the Arapaho-Roosevelt NF and we have been adjacent to fuels reduction projects conducted by the forest. We appreciate the efforts that have been conducted adjacent to our communities, the reduction of fuels helps to ensure the safety of both the firefighters and the adjacent property. The good neighbor policy is valuable for both the adjacent district and the forest. We support the forest's efforts in fuels reduction, especially where it supports a neighboring community's mitigation plan. The Forsythe II fuels reduction project will be valuable both for the forest and the neighboring area.

Sincerely,

/s/ Chris O'Brien

Chris O'Brien

Deputy Chief, Lefthand FPD, NREMT-P, EFO
