Comments: I have been riding in the backcountry of Alaska for 40 years with my family. I STRONGLY oppose any rules or regulations that would limit or restrict our access to the backcountry of our home state! I have 3 teenage boys and this is how we choose to spend our time together. We love taking family and friends with us to show them the beauty of our area. We are responsible to the environment by taking out our garbage and a little extra if we find any. We respect the wild life that we encounter, we ride safe and have fun together. I do not appreciate ANYONE who is trying to close or limit our access and will FIGHT hard to keep our areas open and even open more areas for our enjoyment!

Let it snow\*\*\*
