Comment: The IRA's are shown in the plan and can be addressed (evaluated) as a condition or element of this plan. The fact that this layer of "management" is off the table for discussion during this process takes a necessary element of discussion out of evaluation. The Landscape tram could just as easily Recommend Re-evaluation of the IRA as it relates to overall management approach.

Comment:
-roads managed to be maintained-cars on main road; -
-Bicycle trails, ATV/UTVS multiple uses + mixed
-use wood from forest fires
-community uses for people that live there- for recreation And familie that are here
- man. trash, if I not to good to pick up trash, forest service should do more, Need law inforcement to help with this also!
