Comments: Link to Cibola Wilderness Evaluation Forms

Hi Susan,

After our discussion last night, I thought it may be helpful to send along the Plan Revision website link to the Wilderness Evaluation Narratives.

At the below link, scroll down past the plan Appendices, and you will see the following:

"Wilderness Process Paper"-this is the paper explaining what was done in the inventory and evaluation steps of the process.

"Wilderness Evaluation Forms" --these are the site-specific, polygon-specific documentation forms (electronic version of what was in the red binder at the meetings). There is a PDF for each District that contains all the forms for each District's polygons, and they are labeled by District.

Additionally, below those forms is the "Wild and Scenic Rivers Process Paper." This is the process paper explaining our eligibility process, and initial results.

Let me know if you have any questions.
