Comment: You should increase the number of wild & scenic Rivers; 7 is not enough

Comment: We need to increase the area of Wilderness. We should follow the recommendation of the Cibola Citizen's Coalition. I have hiked and backpacked in several of the areas that were inventoried as roadless areas in 2001. Roadless areas in Magdalena, Bear, Datil, San Mateo, & Mt. Taylor should be protected as wilderness. This should be done now, before these areas are degraded and lost.
