

Data Submitted (UTC 11): 1/10/2017 7:00:00 AM

First name: Tyler

Last name: Creech, Ph.D.

Organization: Center for Landscape Conservation

Title: Spatial Ecologist

Comments: Dear Virginia,

We would like to submit the attached comments as you finalize your Assessment as the first step in the Custer Gallatin National Forest's Forest Plan Revision.

Please note that in lieu of attaching several references that may be too large for most email systems, we have included electronic links in our comments to these references that we feel would be helpful to the forest planners. Thank you for your consideration.

Sincerely,

Tyler Creech
