Comments: I am very much opposed to any part of this national land owned by 325 million American citizens being used for gold mining with its toxic chemical use of mercury and other toxic chemicals that kill all life. an ounce of mercury in a huge lake can make that lake deadly. this kind of gold mining SHOULD NEVER BE AUTHORIZED EVERYWHERE ON A PLANET THAT PEOPLE INTEND TO LIVE ON. HAVE ANY OF YOU SEEN THE HORRIBLE EFFECTS OF THE BODIES AND MINDS OF PEOPLE WHO GET HURT BY MERCURY, LEAD, ETC. ITS TIME TO STOP THIS KIND OF DECIMATING ECONOMIC PROFITEERING TOTALLY. STOP THIS HORROR ON OUR AMERICAN OWNED LAND, LAND OWNED BY 325 MILLION PEOPLE. NONE OF US WANT THIS

LOUSY SINGLE PROFITEER TO KILL US ALL. THIS COMMENT IS FOR THE PUBLIC RECORD. PLEASE REPLY. JEAN PUBLIC JEANPUBLIC1@GMAIL.COM PLEASE MAKE SURE I AM ON THE LIST TO CONTINUE TO GET ALL NOTIFICATIONS ON THIS HORROR THAT THIS LOUSY SWAMP FAT CAT BUREAUCRACY WANTS TO ALLOW.
