Data Submitted (UTC 11): 6/15/2017 6:00:00 AM First name: Stacey Last name: Donohue Organization: Title: Comments: Dear Payette Forest Supervisor Keith Lannom and staff,

Mining in this beautiful area is a short-sighted plan that will damage Idaho's natural resources permanently while

passing the profits to an international corporation. I love to camp and backpack in this area, and keeping the river

healthy and clean is critical to that experience. I urge you to deny Midas Gold's application to re-open this area to

mining.

Respectfully,

Stacey Donohue
